FREQUENTLY ASKED QUESTIONS:

- **CAN WE DECORATE?** Yes, within reason. As long as we can take it down after the party is over, you'll be fine.
- **CAN WE BRING IN A CAKE, COOKIES OR SWEETS?** Yes this is fine. We can also store a cake or such for your party ahead of time and bring it out at the appropriate moment. We have the plates, napkins and forks for your cake in house.
- **CAN WE BRING IN A BAND?** We do not have the facilities for bands at Velvet Dog. A singer or guitar player can work in special circumstance but they are rare. Mint has the room for a band but they must have their own PA and equipment. There is ample power for a band at Mint.
- **CAN WE HAVE OUR OWN MUSIC OR A DJ?** Depends on the day and time. Mint can have a DJ with their own equipment.
- **CAN WE CHARGE AT THE DOOR FOR OUR EVENT?** Only under special circumstances for charity events and such. We are not a rental hall; our events are almost always private.
- **IS THERE A PA OR MICROPHONE FOR EVENTS?** Yes Velvet Dog has wired mics and Mint Ultra Lounge has a full sound system with wireless microphone.
- **CAN YOU SHOW THE SPORTING EVENT WE WANT TO SEE?** Yes – we have Time Warner Cable and can show most events. We have 1 HD TV in the main room and 3 up on the third level. We can have the sound if necessary.
- **CAN WE SHOW MY DVD, PRESENTATION OR MOVIE?** We can do this at Mint. It has a full multi media setup with 8 LCD TV screens throughout the room. We can do Directv, DVD or any video input you may have such as a computer. This can be accomplished at the Dog with planning.
- **CAN WE BRING IN A CATERER?** This is allowed on a case by case basis at Mint. Velvet Dog food must be used for Velvet Dog parties. Velvet Dog food can be catered by us very easily to Mint for private parties.
- **HOW DO WE HOLD AN EVENT DATE AND PAY?** After we confirm the details of your event, we will send you a Private Party Booking Sheet via email. This will have all the details of your event and a place to fill out credit card information. We will then hold the party for you and run your credit card for the correct amount the day of the event. Once you arrive for the party, your billing will be taken care of and all you have to do is enjoy your party.
- **IS THE ROOM CHARGE A MINIMUM, OR IS IT IN ADDITION TO THE CHARGES FOR THE PARTY?** If you have a room charge, that is in addition to your food and drink portion of your event.
- **HOW DOES A CASH BAR WORK?** This is where your guests pay for their drinks themselves, either from the bar or from one of our servers. Parties generally have their own server unless it is a bigger party and there may be more servers.

- WHAT ARE THE DIFFERENCES BETWEEN THE \$7.50, \$10.00 AND \$12.50 PER HEAD PER HOUR LIQUOR OPTIONS? The main difference is adding the import beer + Boulevard to the basic option in the \$10 selection. At \$10 you get calls such as Absolut, Bacardi and Jack Daniels. At \$12.50 everything such as martinis, Grey Goose and Gran Marnier are all included in the option. This is the best option if you really want to take care of a crowd and have the budget to do so.
